grow the vision

Calvary's current debt as of June 30, 2019 is \$90,706.48. At the Annual Meeting on July 21, the Trustees launched an effort to pay off the balance of this debt by the end of this year. By paying off the church debt, we will be able to grow the vision and become a church that is enabled to sow more generously into the Kingdom! We will be publishing regular updates on our progress. The Elders and Trustees are working on clarifying what will be done with the additional resources and that vision will be presented to the congregation. Together we can pay it off. Simply write "Grow the Vision in the memo line of your check, or allocate your giving to "Grow the Vision" online. If you have any questions, please check with Pastor Ben, or any of the Elders or Trustees.

connect

Any questions you might have can be answered at the information desk near the main entrance. You can also write your prayer or information request on the Connection Card within your bulletin and place it in the offering plate. If necessary, an appropriate Calvary Staff member, Leader, or Elder will contact you. Our facility is equipped with a hearing assistance system. Please ask for a receiver.
