**CHURCH KEY ACCESS**  
The trustees have now transitioned the facility to all electronic door locks for building access. The goal of this project has been to improve the means by which we secure the church building while maintaining access for church members. The trustees have developed a key fob access request form that is available to members who need access to the building. This form is available in the church office. Please contact one of the trustees with any questions: *Dan Korf (chair), Aaron Carlson, Vince Dicks, Brennan Dyk, Adam Syvrud, Joe Swenson, Dakota Tracy, & Andy Trites*
